(HQ, CASCOM), Fiscal Year 2023 (FY23) Holiday Observances

3. Dependent upon mission and operational requirements, treat the days in subparagraph 2b above as training holidays for military personnel. When request and with supervisory approval, civilian personnel may use annual or other appropriate leave on training holidays.
4. The CASCOM holiday season is 20 December 2022 – 02 January 2023. Staff offices will remain operational (half or full day schedule based on mission requirements) through the holiday period, except for the Christmas and New Year's days off and designated training holidays (23 December 2022 and 30 December 2023). However, manning may be reduced depending on mission requirements. Each DCS/Staff Principal is responsible for managing staffing of their organization. Follow Army regulations and civilian labor agreements in planning/executing holiday work schedules. Civilian employees must be in an approved leave status when they are not on duty during the holiday period.
5. To ensure safe and enjoyable holiday periods, supervisors will conduct preholiday safety briefings.
6. This policy is in effect until superseded or rescinded.
