Using the ADDT DOD Dictionary Search:

To search for terms/acronyms in the Dictionary:

Enter words in the search box, then use the Enter key to

seatchoose to search for Terms, Acronyms, or both.

- Use "Match Case" if you want to only return results where capitalization matches (e.g., "Joint" but not "joint").
- Use "Whole Word" if you want to only return exact matches for the search word (e.g., "joint" but not "jointed").
- Matching results are displayed in a list below the search box.
- A "T" or "A" in front of each result indicates whether it is a Term or Acronym.
- Clicking on an item in the list will expand it to show its Dictionary definition and will search the entire current draft for any occurrences.
- If the selected term is found within the current draft, use the up and down arrows next to the term to see the matches within the draft text.
